ENROLLMENT CONDITIONS:

- 300 ECTS collected at previous levels of studies;
- grade point average, depending on the faculty, minimum 8,00.
- the proof of knowledge of one foreign language at the academic level.

The persons with the academic title of master of sciences who have not acquired the title of PhD by defending a PhD dissertation according to regulations applicable before coming into power of the Law on Higher Education can be enrolled at the third year of doctoral academic studies in the appropriate field of study.

The Committee for the Admission to PhD studies will determine whether formal and essential conditions for the enrollment in the particular field of study have been met for each candidate.

The enrollment documents needed:

- certified copy of the diploma of the I and II level of studies,
- birth certificate or identity card,
- two photos for the student's index,
- a CV.

For applicants applying for the competition of Faculty of arts and design it is necessary to supply the following:

- a letter of motivation,
- artistic work showing the candidate's inclination to doctoral studies,
- the proof of knowledge of one foreign language.

The applications for the enrollment in doctoral studies should be submitted every working day from September 15th to October 5th from 10 a.m. to 3 p.m. The candidates' enrollment will be held every working day starting from October 6th from 10 a.m. to 3 p.m.
